WE OFFER

A professional work environment where we always strive to provide our guests with personalized, stylish and elegant experiences of international standard. We are a young dynamic team with high ambitions and room for development. We are dedicated to our guests, our colleagues and our workplace. We offer a healthy work environment and a culture where you will work with colleagues from all over the world. Through our internal d'Anglecademy you will be trained in various programs to give you best possible circumstances for growth and success.

ABOUT THE JOB

As part of our Concierge & Bell team, you will daily be creating personal and magical experiences for our guests. You will be at the heart of the hotel and be an ambassador. This role offers great opportunity to develop both professional and personal in an environment where no days are alike.

WE EXPECT

You are outgoing, service-minded and you enjoy the role as host. We also expect that you have a previous work experience, preferably in the service industry. You thrive in an energetic and hectic environment with many tasks at the same time, and you manage to still maintain full overview. You understand the importance of always being "on stage" and always being fresh, rested and "perfectly groomed", and have a developed sense for details. Just as we expect you speak and understand English and perhaps Danish or a third language. A driver license & driver experience is needed.
